To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 3(J)

From: George M. Burge
County Manager

Subject: Contract Award Recommendation, MIA South Terminal Dual Taxiway,
MDAD Project No. K-150-A, to Marks Brother, Inc. in the amount of \$11,060,426.63

RECOMMENDATION

It is recommended that the Board approve the award of a contract for the construction of the South Terminal Dual Taxiway Project at Miami International Airport, Project No. K-150-A, to Marks Brothers, Inc., and authorize the Mayor or his designee to execute the Agreement attached here to, and to exercise any cancellation, termination or renewal provisions contained therein.

SCOPE

Miami International Airport (MIA) is located primarily within Commission District Six. However, the impact of this agenda item is countywide in nature as Miami International Airport is a regional asset.

FISCAL IMPACT/FUNDING SOURCE

This project is funded by the Capital Improvement Program (CIP) and Federal Aviation Administration (FAA) Airport Improvement Program (AIP) funds.

CIP - \$2,765,106

FAA - \$8,295,320

TRACK RECORD/MONITOR

No contractor evaluation report is available for this firm in the Capital Improvements Information System. However, according to the project manager, Marks Brothers has performed in accordance with contract specifications on previous Airport contracts. The Contract/Project Monitor will be E. W. Franklin Stirrup III, MDAD Project Manager.

BACKGROUND

The scope of this project consists of the construction of dual taxiway P and Q which will provide access to the new South Terminal complex, relocation of the jet fuel hydrant system control valve pit in the Concourse H-J area, removal and storage of passenger loading bridges from the Concourse H Headhouse and the repair of any damage to the existing structure resulting from the load bridge removal, removal of high mast apron lighting, construction of a new 9W6 electric ductbank to Concourse H, and the installation of new taxiway centerline lights. The scope also includes miscellaneous airfield pavement work, airfield drainage relocation and other airfield infrastructure work necessary to provide a functional taxiway system.

The project was advertised for bids on May 3, 2007 and bids were received on June 20, 2007 from three (3) firms: Marks Brothers, Inc.; Central Florida Equipment Rentals, Inc.; and Kiewit Southern Co. The Aviation Department's Minority Affairs Division performed a compliance review of the bid submittals and determined that Kiewit Southern Co. did not submit the required DBE utilization form, the Schedule of Participation forms or the DBE Letters of Intent (LOI) and therefore was not in compliance with the contract requirements and as a result was subsequently found non-responsive by the County Attorney's Office. The low bid for this project was submitted by the recommended firm Marks Brothers, Inc. in the amount of \$11,060,426.63.

REVISED

Dear Mr. Stirrup:

We have reviewed and evaluated the bids received on Wednesday June 20, 2007 for the MIA Dual Taxiway Project – MDAD Project No. K150A. The result of the submitted bids is shown in the following table.

ITEMS	A/E's Pre-Bid Estimate	Central Florida Equipment Rentals, Inc.		Kiewit Southern Co.		Marks Brothers, Inc.	
		Bid Amount as Submitted	As Verified	Bid Amount as Submitted	As Verified	Bid Amount as Submitted	As Verified
Bid Line No. 1 through 87	\$12,069,430.00	\$14,723,317.50	\$14,723,317.50	\$17,352,875.00	\$17,352,875.00	\$10,032,133.00	\$10,032,133.00
SUBTOTAL	\$12,069,430.00	\$14,723,317.50	\$14,723,317.50	\$17,352,875.00	\$17,352,875.00	\$10,032,133.00	\$10,032,133.00
Allowance Account (10%)	\$ 1,206,943.00	\$ 1,472,331.75	\$1,472,331.75	\$ 1,735,287.50	\$ 1,735,287.50	\$ 1,003,213.30	\$ 1,003,213.30
Insp. General Audit Acct. (1/4%)	\$ 30,173.58	\$ 36,808.29	\$36,808.29	\$ 43,382.19	\$ 43,382.19	\$ 25,080.33	\$ 25,080.33
TOTAL	\$13,306,546.58	\$16,232,457.54	\$16,232,457.54	\$19,131,544.69	\$19,131,544.69	\$11,060,426.63	\$11,060,426.63

Based on our review of the bids received, we have the following comments:

1. The lowest bid was received from Marks Brothers (\$11,060,426.63) below the Engineer's Estimate (\$13,306,546.58). The difference in estimate between Marks Brothers and the Engineers is due to the difference in some of the bid items unit price, primarily:
 - o Bid Item 2 – Mobilization which is at 37.65% higher than the amount submitted by the lowest bidder.
 - o Bid Item 33 – Off Site Borrow which is 20.03% higher than the amount submitted by the lowest bidder.
 - o Bid Items 67 – Monitoring Wells which is 26.15% higher than the amount submitted by the lowest bidder.

Page 2 of 2

2. The submitted copy of Central Florida Equipment Rentals, Inc. bid form was found to have omitted an amount for Item 6 – Maintenance of Airport Airside Traffic. However, the original bid form submitted to the Clerk's office, did include an amount of \$ 1,200,000.00 for this item. As a result Central Florida bid had to be adjusted and their bid increased to \$16,232,457.54
3. On the basis of the foregoing evaluation it is recommended that the Contract be awarded to the lowest responsive bidder, Marks Brothers, Inc. in the amount of Eleven Million, Sixty Thousand, Four Hundred and Twenty-six dollars and Sixty-three Cents (\$11,060,426.63).

A Bid Evaluation and Justification Tables (BET) and checklist of required bidding documents are attached for your review.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Burns & McDonnell, Inc.

Memorandum

Date: July 26, 2007

To: Franklin Stirrup, Project Manager
Facilities Division

From: 
Howard Gregory, Acting Associate Director
Minority Affairs Division

Subject: Project: MIA South Terminal Dual Taxiway
MIA K150A, DBE Compliance Review

HAND DELIVERED

The Minority Affairs Division has completed its compliance review of the subject project for compliance with the Disadvantaged Business Enterprise (DBE) Program as per the requirements of the Code of Federal Regulations 49 C.F.R. Part 26. The contract measure applicable to this project is a DBE subcontractor goal of 16%.

The attached e-mail, dated July 10, 2007, from the MDAD Project Manager, advised Minority Affairs to proceed with the DBE Compliance Review for Marks Brothers, Inc. and Central Florida Equipment Rental, Inc. (Attachment 1).

Marks Brothers, Inc. submitted the required DBE Utilization Form, the Schedule of Participation (SOP) By DBE Firms, and the DBE Letter(s) of Intent (LOI) committing to utilize Ruben Electrical Technology, Inc. for MOT, lighting, duct banks and fuel vault for 6.8%; Construction Group Corp. for control valve vault for 7.3%; and Robert's Traffic Corporation for traffic markings for 2.9%. Marks Brothers has met the subcontractor goal with 17% and is in compliance with the DBE Participation Provisions and the Code of Federal Regulations 49 C.F.R. Part 26 (Attachment 2).

Central Florida Equipment Rentals, Inc. submitted the required DBE Utilization Form, the Schedule of Participation (SOP) By DBE Firms, and the DBE Letter(s) of Intent (LOI) committing to utilize Construction Group Corp. for control valve vault for 5.5%; DC Electric, Inc. for taxiway electrical system for 5.5%; Hi-Tech Concrete, Inc. for concrete pavement for 4.5%; and Robert's Traffic Corporation for pavement markings for 2%. Central Florida Equipment Rentals, Inc. has met the subcontractor goal with 17.5% and is in compliance with the DBE Participation Provisions and the Code of Federal Regulations 49 C.F.R. Part 26 (Attachment 3).

We have verified with Small Business Affairs/DPM that the certifications for the DBE firms are current and valid. If any of the DBE firms listed on the Schedule of Participation as DBE firms are found not to be eligible after award, it must be substituted in accordance with Section IV of the DBE Participation Provisions contained in the project bid documents.

CERT. NO: 9611
APPROVAL DATE(s): 03/28/2007 - DBE
EXPIRATION DATE: 02/28/2010

Dear Juan Quesada:

The Department of Business Development has completed its review of your application and attachments submitted for certification as a Disadvantaged Business Enterprise (DBE) and hereby approves your firm as a DBE in the categories listed below. Your DBE certification is valid for three (3) years, expiring as noted above and your firm will be included in our registry of certified businesses.

While DBE certification qualifies your firm to bid and participate on projects with DBE participation requirements, please note that this certification does not allow you to participate on projects with Community Small Business Enterprise and/or Community Business Enterprise (CSBE/CBE) program requirements unless you are specifically certified in these programs. Please note that certification as a small business enterprise continues to be valid for one (1) year.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times. All inquiries or changes related to this certification should be directed to the Certification Unit between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. This department will forward to you an application for re-certification (a much shorter process) within four (4) weeks of the above expiration date.

We look forward to your participation in Miami-Dade County's small and/or disadvantaged business programs.

Sincerely,

Marsha E. Jackman
Director, DBD

Dear Emilio Grullon:

We are pleased to inform you that the Department of Business Development is now Small Business Affairs within the Department of Procurement Management. As a result of the review of your application and attachments submitted for certification as a Disadvantaged Business Enterprise (DBE) we hereby approve your firm as a DBE in the categories listed below. Your DBE certification is valid for three (3) years, expiring as noted above and your firm will be included in our registry of certified businesses.

While DBE certification qualifies your firm to bid and participate on projects with DBE participation requirements, please note that this certification does not allow you to participate on projects with Community Small Business Enterprise and/or Community Business Enterprise (CSBE/CBE) program requirements unless you are specifically certified in these programs. Please note that certification as a small business enterprise continues to be valid for one (1) year.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times. All inquiries or changes related to this certification should be directed to the Certification Unit between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. This department will forward to you an application for re-certification (a much shorter process) within four (4) weeks of the above expiration date.

We look forward to your participation in Miami-Dade County's small and/or disadvantaged business programs.

Sincerely,

Penelope Townsley, Interim Director
Small Business Affairs/Department of Procurement Management

Memorandum

MIAMI-DADE
COUNTY

Date: July 31, 2007

To: Franklin Stirrup, Project Manager
Facilities Division

From: Howard Gregory, Acting Associate Director
Minority Affairs Division

Subject: Project: MIA South Terminal Dual Taxiway
MIA K150A, DBE Compliance Review

HAND DELIVERED

The Minority Affairs Division has completed its compliance review of the subject project for compliance with the Disadvantaged Business Enterprise (DBE) Program as per the requirements of the Code of Federal Regulations 49 C.F.R. Part 26. The contract measure applicable to this project is a DBE subcontractor goal of 16%.

The attached e-mail, dated July 31, 2007, from the MDAD Project Manager, advised Minority Affairs to proceed with the DBE Compliance Review for Kiewit Southern Company (Attachment 1).

Kiewit Southern Company submitted the required DBE Utilization Form, but did not submit Schedule of Participation (SOP) By DBE Firms and the DBE Letter(s) of Intent (LOI) committing to utilize DBE firms. However, Kiewit Southern Company submitted Subcontractor's Supplier Listing to utilize Roberts Traffic Corporation for removal of payment markings, installation of temporary and new marking for \$320,375; Construct Group Corp. for control valve vault, drainage structures for \$1,270,000; Confidence Trucking, Inc. for hauling and dispensing of soil for \$607,000; and Ruben Electric Technology, Inc. for electrical valve for \$876,100 (Attachment 2).

Kiewit Southern Company has met the subcontractor goal of 16% and is in compliance with the DBE Participation Provisions and the Code of Federal Regulations 49 C.F.R. Part 26.

We have verified with Small Business Affairs/DPM that the certifications for the DBE firms are current and valid. If any of the DBE firms listed on the Schedule of Participation as DBE firms are found not to be eligible after award, it must be substituted in accordance with Section IV of the DBE Participation Provisions contained in the project bid documents.

Please note that Minority Affairs staff only reviewed and addressed compliance with the DBE program. Should you have any questions or need additional information, please contact me at (305) 876-7971.
